*Gates Four has been my home course since 1970.*

*I've played hundreds of courses in several states and in several countries*

*and, in my opinion, it's the fairest golf course*

*I've ever played. It's a quality golf course that*

*rewards good golf shots and allows you to enjoy*

*the game. As a golf writer, I'm often asked,*

*"If you could play only one more round of golf*

*on any course you wanted, where would it be?"*

*My answer is always, "Gates Four."*

*Gates Four is a premium facility and the course restoration has only enhanced that. We've returned the course to its original Willard Byrd design and we're doing everything first class. There's no question the course is better than ever.*

**Reward yourself** with a membership at the premier Gates Four Golf & Country Club. Enjoy time with family and friends, relax by the pool, play a game of golf or tennis, or unwind over dinner and drinks. Gates Four offers you a vibrant club in the first gated community in Fayetteville with 24-hour security, full of growing families, established residents and busy professionals who welcome everyone to share in the fun.

## **Established Club & Community**

Winding streams, wooden bridges and expansive ponds and lakes weave through our Willard Byrd 18-hole championship course and friendly community. While the

facility opened in 1967, constant improvement has been a priority. Most recently, our golf course has been renovated and now boasts state-of-the-art USGA-specified greens. In 2001, we built a modern, 28,000 square-foot clubhouse that includes JP's Casual Dining, banquet and meeting rooms, a fully equipped gym, the Pro Shop, locker rooms and a large outdoor terrace overlooking the 18th hole.

## **Fine Dining**

Our Executive Chef offers a delicious menu of seafood, steak and continental cuisine, with weekly specials using fresh ingredients. Members share

some of their best times together over meals and gatherings at Gates Four Club, whether it's at JP's, Sunday brunches and regular buffets, weekly pasta night on Thursdays or Saturday's prime rib and wine specials.

## **Full-service Club**

The temperate North Carolina weather allows year-round opportunities to play tennis on our two courts and, during the summer, our Junior Olympic-sized pool and Blue Water Cafe offer a welcome retreat.

You'll feel right at home at Gates Four, and membership is easier than you may think. *Join us!*

# PAR Excellence

*May thy golf ball lie in green pastures, not in still waters.* Just in case, though, Gates Four's newly renovated 18-hole championship golf course has both, along with new bent-grass greens, newly renovated bunkers and long, beautiful fairways lined with tall pine trees. Designed in a traditional style by acclaimed golf course architect Willard Byrd in 1967, we began months of work in 2010 to return the course to his original, classic design. Byrd, a Carolinas

Golf Hall of Fame architect, designed or remodeled more than 100 courses.

A variety of tees make the course perfect for any level golfer, be it a low-handicap player or a weekend golfer.

With its recent renovation, Gates Four now boasts state-of-the-art USGA-specified greens, which are a blend of A1/A4 bent grass to provide an optimum putting surface year round.

Our experienced and trained PGA professionals are always available to help with any facet of your game – from planning an informal golf outing with friends, family members or business associates to arranging private lessons or even a charity golf tournament.

Discover how exciting and challenging our newly renovated course can be for all levels of golfers and enjoy the atmosphere of a full-service, private club.

*Gates Four is an excellent place to raise a family. It is big enough to have many diverse social activities and functions but small enough to be personal and friendly. For those who love golf, the course is one of the best, most exciting in the area.*
