## From the Course

As we move into the Christmas season we have much to be thankful for: freedom, family, friends, jobs, food, shelter, and many more things we don't have room to list. We are truly blessed to live in this great nation and state. We are also blessed to be able to live/work on such a beautiful property in Fayetteville. I am thankful to be a steward of this great property. Every year we strive to improve the golf course for our members and homeowners. We make sure to leave the course a little better every day. We strive to have the best greens in the area and hope we are getting close to that goal. We have had some bumps in the road but we have learned from them and look forward to 2022, where we hope to have even more success.

The maintenance crew is busy this winter with routine maintenance, including practices that will help us succeed next year and for many years to come. We will be removing dead trees, working on the irrigation system by raising and leveling greens heads, repairing leaks as needed, and conducting an audit of the system. Also you will see us trimming pond banks, doing equipment repair, equipment maintenance, and so much more behind the scenes. Winter time is also a good time to plan for the upcoming year by reviewing the past years. We will be working on fertilizer, fungicide, and herbicide plans, as well as early budgets, staffing models, equipment needs, and continuing education. This is also a good time to recharge and get ready for another year of growing and maintaining turf at the high-quality level we have come to enjoy. Spending time with family and friends is also an important part of our down time. I hope you have enjoyed the golf course over the past year, and we look forward to providing a product for you to be proud of over the next year.

My hope is that you have had a great Thanksgiving season and are getting ready to spend time with family and friends over the next few weeks during the Christmas season. As we deal with the hustle and bustle of everyday life we can get caught up in the chaos, so make sure to take a minute and remember the reason for the season.

Thank you for your business and continued support of the golf course and country club. Without our members, this facility wouldn't be the gem it is today. We look forward to another year and hope you do as well. Until next time, Merry Christmas, I'll see you on the course.

*Shaun Kerr, Golf Course Superintendent*
