Tennis Programming & Lessons

Over the last few months, we have been working to fill the replacement of our Tennis Pro Derrick Berry retiring. As a result, moving forward Gates Four and Methodist Professional Tennis Management Program, along with the director of the PTM Program, have formed a partnership to provide tennis programming and instruction. Members will have access to the university's Men's and Women's coaches, along with PTM students, to hone your skills. Over the next month, we will have additional information regarding how to book appointments, lesson rates, and upcoming programming. Thank you for your patience, and we look forward to seeing everyone on the courts soon.

League matches and practices have reserved courts. Please call the Pro Shop for reservations.
