

Tennis

Gates Four would like to welcome **Terry Bradley** to our teaching staff. Terry is the creator of the 2/6 Golf Swing Method and 2/6 Golf Academy, as well as author of the 5-star-rated golf ebook "The Method" that reveals to weekend golfers the two simple swing adjustments at setup that provide more consistency and distance.

Terry also started a golf coaching company called The Golf Fantasy Trail, which starts the struggling golfer on a journey in search for easier golf coaching. His goals are and always have been to help the weekend golfer achieve their maximum potential with the game of golf. Terry attended Male High School in Louisville, KY. After high school he attended John C. Calhoun CC in Decatur, AL, then moved on to attend Auburn University, where he graduated in 1990 and lettered in the sport of basketball.

You can reach Terry at Gates Four at the 2/6 Golf Academy at 502.909.5178.

League matches and practices have reserved courts. Please call the Pro Shop for reservations.

From the Course

Greetings, it appears that fall has finally arrived! It has been a welcome cool down for sure. We have had a light spotty frost and surely more is on the way soon. It has been great weather for golf. The greens came out of summer great and hopefully have provided a fabulous putting surface for all.

Just for your information, we have been moving some tee markers around to rest some over-used tee boxes. I kindly ask that you leave the markers where they are as it is for a good reason. We have been blessed to have a great year of golf, but we have seen the stress from the extra traffic on the smaller tee boxes.

Also, ball marks have been numerous and unfixed. Even though we just had Halloween, don't be a Hallo-weenie — please fix your ball marks. Plus, fill your fairway and tee divots, be careful with cart traffic, and remember sometimes we get angry on the greens but please don't take cheap shots at the turf. We have had more divots taken out on the greens in the past month than I care to remember. Any damage we have now throughout the next five months will not heal up rapidly. The turf we go into winter with is what we have to look at and play on until spring. Help us get through this dormant season by caring for your investment.

Thank you for your support and patronage throughout 2021. As we move into the holiday season it is the time to be thankful. I hope you enjoy the holidays, and know we are thankful for you and your business. Until next time, I'll see you on the course.

Shaun Kerr, Golf Course Superintendent
